OFFICE OF DIRECTOR/COMMERCIAL

Er.R.S.Pabla, Dy. CE/Planning has been deputed from Punjab State Power Corporation Limited to the Punjab State in the Punjab Investment Promotion Bureau as per the enclosed approval of CMD, PSPCL dated 5.12.2013 for according feasibility clearance to new investment proposal covered under the package of Fiscal Incentive for industrial promotion, 2013. It has been brought out that Er.R.S.Pabla, Dy.CE/Planning & his team is not getting proper cooperation from the field officers which results in delay in feasibility clearance and related matters. It has been desired by Secretary/Power, Govt. of Punjab that the enclosed instructions be followed by all EICs/CEs(DS) and Dy.CEs/SEs(DS) meticulously & full cooperation is extended for the Dy. CE/Planning & his team.

DA/As above.

To

Director/Commercial,
PSPCL, PATIALA.

1. All EIC/CEs(DS), PSPCL
2. All Dy.CE/SEs(DS), PSPCL
3. EIC/Comm., PSPCL, Patiala.
4. CE/SS, PSPCL, Patiala.
5. CE/Planning, PSPCL, Patiala.

U.O.No. 121/149 /PS/DC

CC:-

Director/Distribution, PSPCL, Patiala for information, please.

Punjab State Power Corporation Limited
ORDER

Dy CE/Planning, deputed from PSPCL to the Punjab Investment Promotion Bureau is authorized to:

Accord feasibility clearance for release of electric connection to the **New Investment Proposals** covered under the Package of Fiscal Incentives for Industrial Promotion, 2013, as per following procedure:

- a) Receipt of application along with proposed commissioning schedule by applicant.
- b) Verification of documents.
- c) Clearances from other departments i.e. C.E.I., PUDA, Forest etc. shall be arranged by officers deputed by respective departments in the Bureau itself.
- d) Getting site examination and necessary assessment for the expenditure involved in release of connection from the concerned field office.
- e) Feasibility Clearance shall be given from the nearest 33/66/132/220 KV Sub-Station after carrying out a detailed study of service line to be erected, loading conditions of feeding sub-station / mother sub-station and backup / common line upto feeding Sub-Station including bay if any.
- f) On the spot signing A&A form (Application-cum-Agreement form), sanctioning of load and receipt of charges on account of assessment i.e. initial security, meter security, security (works), CEI fee etc. for various electrical installations.
- g) Over riding priority shall be given to such consumers.

Note:

1. Conditions involving in granting feasibility clearance as asked by PSPCL regarding up-gradation of PSPCL / PSTCL system shall be binding on PSTCL/PSPCL for up-gradation well in time.
2. All projects under new industrial investment shall be covered under above process.

2064/SWS/vol-5 Dated 05.12.2013

Chairman-Cum-Managing Director
Punjab State Power Corporation Limited
